*A £5.00 segment fee is payable to agents on Eurostar™ segments

It is possible to combine Leisure Select and Standard fares of the same fare name and passenger type. All combinations are calculated as a mean average of both available fares. For example, you can book an outward leg Standard fare in BX class (£59) and a return leg Leisure Select fare in HZ class (£149), both have the same passenger type (LR/ELR), the return fare would be £59 + £149 ÷ 2 = £104.

Exchange with a fee of £22 per leg and a price differential to the next available fare, can be done within the same fare name and passenger type. For example, when exchanging a Standard semi-flexible (Sat night away) the additional charge would be £165 – £135 + £22 + £22 = £74.

All fares are subject to availability. Eurostar™ conditions of carriage apply.
