## Timetable

from 1 October 2008 to 7 March 2009

Issue 60

### IMPORTANT NOTE

Following the incident in the Channel Tunnel in September 2008, a section of the tunnel will be operating a single line service until repairs are completed.

This timetable reflects the changes to timings and the extension of journey times that have resulted from this restriction, as well as the fact that the last trains of the day from London and Paris are now leaving earlier than previously advertised.

Our new amended timetable is designed to help us, and therefore you, get back up to full speed as quickly as possible. We are operating up to 16 trains a day to Paris, 9 to Brussels, 8 to Lille and 1 to Disneyland® Resort Paris, offering you a comfortable, direct, carbon-neutral journey to the heart of your chosen destination.

Issue 60 printed in October 2008. All information is correct at time of press. Neither Eurostar (U.K.) Ltd nor Rail Europe, accept liability for alterations which occur thereafter. Eurostar (U.K.) Limited, Times House, Bevingtons Walk, London N19 9AW.
